ROBERT'S GROUP

HISTORY

Family Entertainment Center

Robert Elias started trading arcade games - pinball specifically - in the 1960s. He then founded Eliasco in **1972** which was based in Beirut. It became one of the Middle East's principal suppliers of arcade games

VISION

Robert's Group vision is to continue its tradition of providing superior services - with a personal touch - to its partners and customers in the entertainment industry.

MISSION

Robert's Group mission is to provide custom complete entertainment solutions - from the concept thinking process into the implementation to the operations follow-up - in a way that is sustainable and profitable to its partners and customers.

TURNKEY SOLUTION

Robert's Group delivering Turnkey Solutions since 1972 to amusement centers in Africa and the Middle East*.

The turnkey package offered by Robert's Group runs from planning to installation and after-sales services to translate your idea into a real successful operating business.

Our Turnkey Solution Includes:

- Feasibility studies.
- Pre-project planning.
- Master plan and theme design using cutting edge technology.
- Systems & Software.
- Advisory on Games & Attractions selections depending on site needs and profitability.
- Supply of equipment
- Logistics services.
- Installation, Maintenance and Training
- Operating consultancy, advisory and management.
- "Hand Holding" during and after the opening
- Management contracts

What makes us different from others?

We are passionate about games & FECs. We do not sell products for the sake of pushing our stock. We simply try finding the best suit for your business and project. We treat you as a partner. We consider your family entertainment center as our own. We provide additional services and insider's tips. We have long standing relationships with our customers because we care more about their sustainability than one-off deals, and we intend to keep it that way.

SERVICES

ROBERT'S GROUP

ROBERT'S GROUP

ADVISORY Robert's Group offers consulting services extending from its experience in building some of the best entertainment centers. Analyzing different parameters, using our know-how and knowledge of the latest releases and innovations in the industry, we help you build the best solution for your location. Our advisory covers: feasibility and planning, optimizing, design, staffing and training.

Are you opening a new FEC or do you want to Optimize your returns?

Whether you are opening a new Entertainment Center or you want to improve your current center revenues, we will work together on improving efficiencies and on attracting new customers to your location.

SUPPLY & INSTALLATION Being distributors of major brands and top names, we provide all games and equipment for your Entertainment Center: Games, Rides, Attractions, Simulators, Play Structures, Card Systems, Software, Merchandising, Spare Parts and more.

TRAINING Our teams have an extensive experience in entertainment centers. This is why you can benefit from their exhaustive knowledge and skills through our training programs.

ROBERT'S GROUP

Training programs we are currently offering are:

Basic Technical Training.

Inter-card Training.

On-site Operators Training Program

Operation Procedures & Promotional Training.

These programs are available in English, French and Arabic.

MANAGEMENT Having an operations experience since 1972, Robert's Group offers management services for Family Entertainment Centers across the region. Therefore, investors can make sure that their investment is in safe hands.

Management contracts can either be part of a Build-Operate-Transfer scheme or an outright management contract.

INTERACTIVE PRODUCTS

ROBERT'S GROUP CARDIOWALL LANDSCAPE (PORTRAIT VERSION AVAILABLE)

A 9-light multi-purpose reaction wall perfect for speed, agility, lateral movement and peripheral vision. A functional trainer that can be used with hands, gloves, balance cushions and soft-weights for a full body workout.. The CardioWall Landscape can also be used by two players at one time, with each player taking half of the wall.

Note: For one player, compact duo with 5-light wall for 5+ ages available.

CARDIOWALL FREESTYLE DUO

Dual interactive speed and reaction walls that make bouncing way more fast and fun! Get your monitors to encourage competition between friends – and why not set up a leader board challenge to share on social media?

HIGH-9

A trampolining height challenge for tweenies, teens and adults that tests bounce control and hand speed. Players jump high and reach low as they compete to get the highest score. Best installed as a pair (High-9 Duo) to allow direct competition between players.

DODGEATTACK

An interactive target game that will transform your dodgeball court into an all-action arena! Teams work together to hit out their opponent's light-up targets, whilst defending their own. Two teams, 2-minutes, nobody goes out, and tonnes of points to be scored .

ROBERT'S GROUP

INTERACTIVE PRODUCTS

SKYPODS

SkyPods are an energetic challenge that will appeal to players of all ages. Players bounce around the trampoline bed clearing all of the lit pods to score points. SkyPods can be installed as a single set of 5, 7 or 9 pods, or doubled up to make a SkyPods Duo for an intense two-player game.

ROBERT'S GROUP

WALLRIDER

ROBERT'S GROUP

Walk-the-wall has just got a whole lot more exciting! Challenge your guests to this interactive target game where the aim is to clear the lights with your feet as you bounce up and along the wall. Players score points for every correct hit, with higher targets scoring more.

TRAILBLAZER

An interactive climbing wall with easy-to-hold grips and exciting game programs that will challenge children of all ages. A 6-section TrailBlazer / TrailBlazer Hex will accommodate 6 players at any one time (3 on, 3 waiting). The TrailBlazer challenges strength, stamina, core, balance and vision whilst promoting competition and the motivation to climb for longer. The TrailBlazer is available in two formats:

- TrailBlazer Traverse
- TrailBlazer Hex

ROBERT'S GROUP

CLIMBING

ClimbWall and Rope Course are available for indoor and outdoor and are adapted to any theme and any dimensions according to your location.

Augmented Climbing Wall combines projected graphics and proprietary body tracking to create interactive games and training applications. The games and applications make the training fun, motivate kids to move and give feedback to

help you become a better climber. Augmented reality climbing is suitable for any skill level and age.

It can be installed on existing walls at climbing centers or on new ones at indoor entertainment centers and playgrounds.

A smaller but versatile wall is also ideal for fitness gyms with strict space requirements.

The setup is even fast and easy enough to use at events or on mobile walls.
