## VISION

Robert's Group vision is to continue its tradition of providing superior services - with a personal touch - to its partners and customers in the entertainment industry.

## MISSION

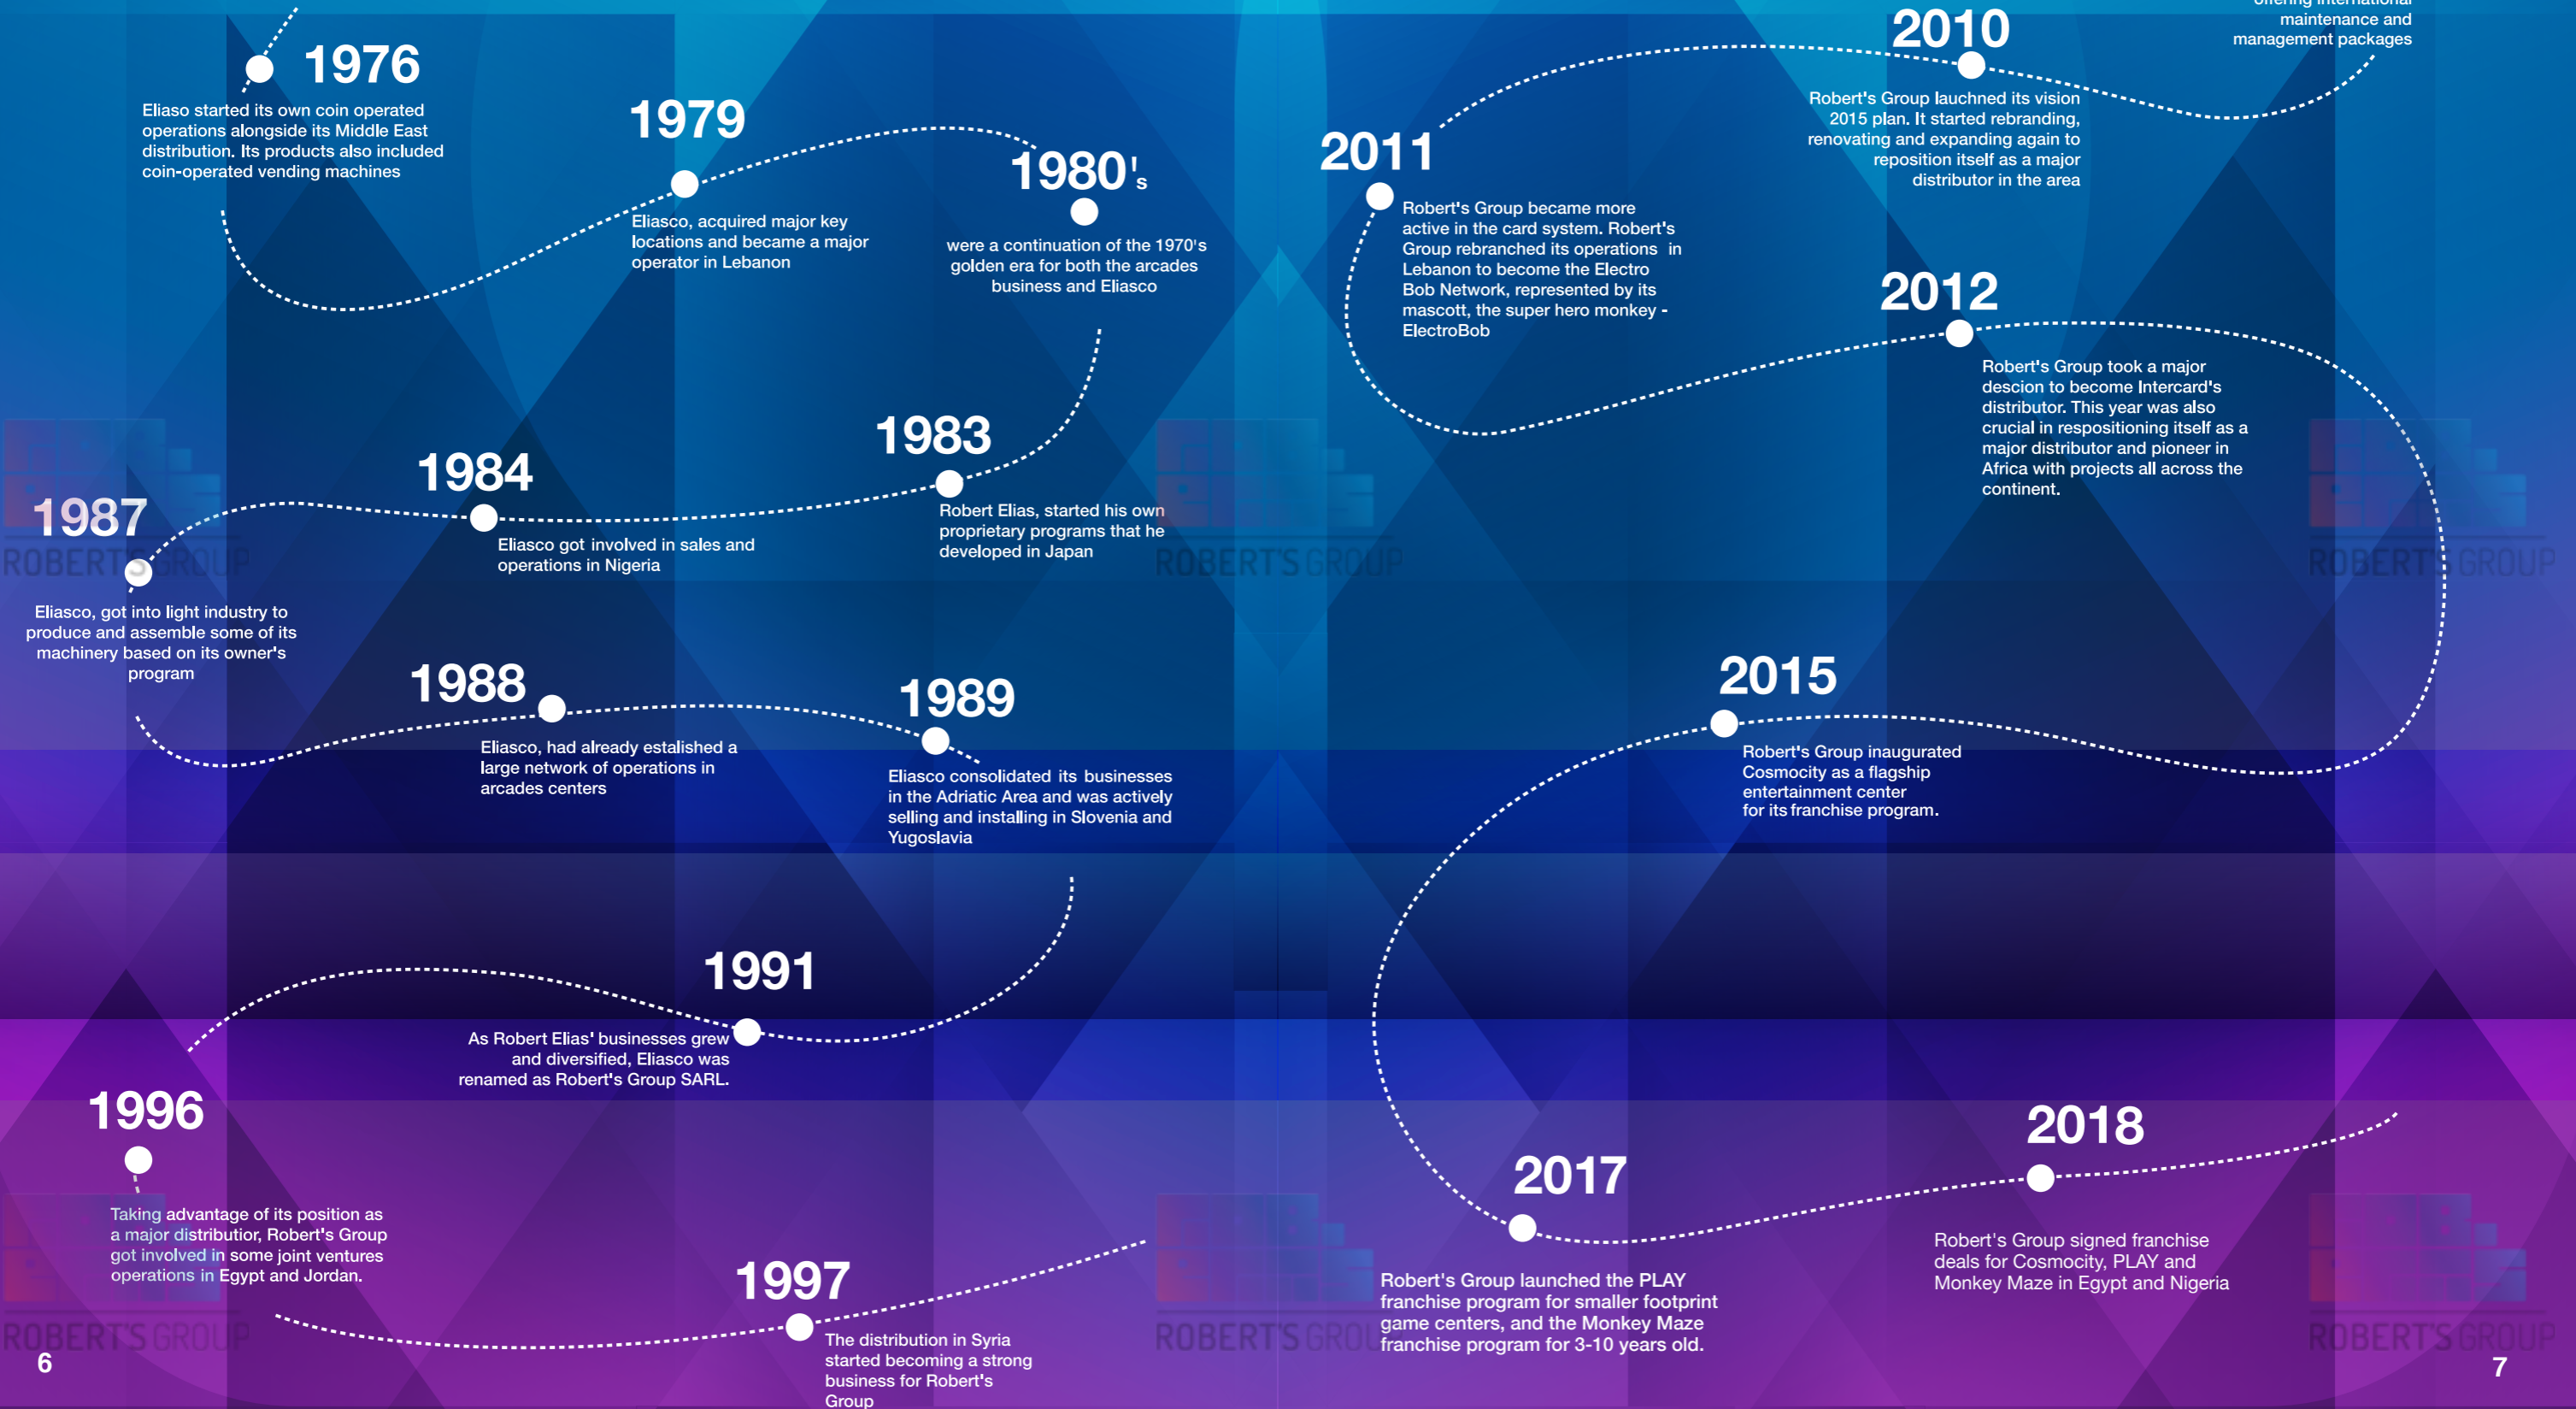

Robert's Group mission is to provide custom complete entertainment solutions - from the concept thinking process into the implementation to the operations follow-up - in a way that is sustainable and profitable to its partners and customers.

# HISTORY

## Family Entertainment Center

Robert Elias started trading arcade games - pinball specifically - in the 1960s. He then founded Eliasco in 1972 which was based in Beirut. It became one of the Middle East's principal suppliers of arcade games

# TURNKEY SOLUTION

Robert's Group Delivering Turnkey Solutions since 1972 to amusement centers in Africa and the Middle East.

The turnkey package offered by Robert's Group runs from planning to installation and after-sales services to translate your idea into a real successful operating business.

Our Turnkey Solution Includes:

- Feasibility studies.
- Pre-project planning.
- Master plan and theme design using cutting edge technology.
- Systems & Software.
- Advisory on Games & Attractions selections depending on site needs and profitability.
- Supply of equipment
- Logistics services.
- Installation, Maintenance and Training
- Operating consultancy, advisory and management.
- "Hand Holding" during and after the opening
- Management contracts

## What makes us different from others?

We are passionate about games & FECs. We do not sell products for the sake of pushing our stock. We simply try finding the best suit for your business and project. We treat you as a partner. We consider your family entertainment center as our own. We provide additional services and insider's tips. We have long standing relationships with our customers because we care more about their sustainability than one-off deals, and we intend to keep it that way.

# SERVICES

**ADVISORY** Robert's Group offers consulting services extending from its experience in building some of the best entertainment centers. Analyzing different parameters, using our know-how and knowledge of the latest releases and innovations in the industry, we help you build the best solution for your location. Our advisory covers: feasibility and planning, optimizing, design, staffing and training.

Are you opening a new FEC or do you want to Optimize your returns? Whether you are opening a new Entertainment Center or you want to improve your current center revenues, we will work together on improving efficiencies and on attracting new customers to your location.

**SUPPLY & INSTALLATION** Being distributors of major brands and top names, we provide all games and equipment for your Entertainment Center: Games, Rides, Attractions, Simulators, Play Structures, Card Systems, Software, Merchandising, Spare Parts and more.

**TRAINING** Our teams have an extensive experience in entertainment centers. This is why you can benefit from their exhaustive knowledge and skills through our training programs.

Training programs we are currently offering are:  
Basic Technical Training.  
Intercard Training.  
On-site Operators Training Program  
Operation Procedures & Promotional Training.

These programs are available in English, French and Arabic.

**MANAGEMENT** Having an operations experience since 1972, Robert's Group offers management services for Family Entertainment Centers across the region. Therefore, investors can make sure that their investment is in safe hands.

Management contracts can either be part of a Build- Operate-Transfer scheme or an outright management contract.

# WE DESIGN

Robert's Group Designs emanates from a strong understanding of the entertainment economics, trends and profitability, a solid exposure to day to day operational needs and robust knowledge of entertainment equipment.

All through the design process, we walk you through the pros and cons of different features for you to take the most informed decision and reaching your ideal design.

Our designs are a realization of your project aspirations, your market needs and profitability.

# VR GAMES

## VR ATOM

The VRcade Atom™ is a space-conscious VR solution for LBE venues that desire VR but have limited floorspace.

- Commercial-quality VR
- Totally wireless – nothing to restrict movement
- Cost & Space efficient
- Best in class compute power, head-mounted displays, wireless technology and positional tracking
- Multi player (2-Players per Atom) – multiple Atoms can be networked
- Supports a variety of compelling content for repeat business
- Built on the VRcade Attraction Management Platform
- Supports all VRcade content and curated titles licensed from SteamVR
- Network up to 8 Atoms for 16-player throughput!

### Atom components:

HP systems, HTC VIVE, and VIVE Wireless technology.

# VR GAMES

## ARENA FLEX

- **Flexible Foot Print Free-Roaming heart pounding** action for 4-8 players
- Turn under utilized space into a profitable Free-Roam VR-Attraction: Can be installed in as small as 25'x25' and as big as 40'x40' without the need for extensive infrastructures, such as a truss
- **Simple & Low impact** installation means that the physical structure and aesthetic design of your space remain intact, as the Arena Flex requires no intrusive physical construction or distracting symbols or fiducial markers,
- **On-Demand** availability means the Arena Flex can be easily powered up on variable schedule that maximizes the use of the space. Enabling you to easily repurpose underutilized space and generate new revenue.
- **A TRUE VR-SPORTS COMPETITIVE EXPERIENCE**, for single players and teams, Engaging players deeper into a skills-based and competitive play a, creating a true sporting spectacle with spectators cheering on individual players and teams

# KARTING

## WHY KARTING ?

Karting is the ultimate adventure that brings family together .They can race, challenge each other and have a lot of fun.It makes it possible for everyone to experience racing. This attraction destination is appropriate for different occasions ( quality time with friends,after work parties,team buildings,corporate events,adults birthdays etc.).

## KARTING IS AN ACHOR ATTRACTION

Every successful indoor entertainment center or outdoor park should include one or two anchor attractions to get more traffic with other revenue generators such as food & beverages,arcades etc.

This high-impact attraction ensure your location to stand out in a crowded market,attracting guests and get repeat visits.

By delivering the most advanced karting solutions in terms of highest quality,safety, and profitability,we help our clients to achieve their business growth and ultimate driving experience for their customers.

**OUTDOOR KARTING**

**INDOOR KARTING**

Exciting shapes and massive karting track sizes attract guests and anticipation.We install multi-level track close to other attractions and hospitality area creates even more buzz.

ROBERT'S GROUP

## ICE RINK

Diversify and personalize your business by adding the most unique attraction in your city. Through a wide range of shapes, sizes and colors that are sure to be the perfect fit for your project.  
Profitable, versatile, authentic, ecological.

## LASER MAZE

Laser Maze is an exciting arcade-style laser maze attraction that is captivating the world with its high-tech interactive game play and its use of lasers, mirrors, haze, effects, and unique theming. Inside the Laser Maze your guests will enjoy completing a variety of objectives while being surrounded by a web of laser beams like in the spy movies.

# TACTICAL LASER TAG

## WHY TACTICAL LASER TAG?

A modern and often adult focused form of laser tag where mission objectives are the goal. It encourages tactics, communications, and a team win mentality. The "guns" are normally more realistic in nature than the traditional phrases scores, statics, achievements, and ranks are how play value is measured.

# LASER TAG

## WHY LASER TAG?

Laser tag is an adrenaline-pumping game played in a themed black-light environment. People of all ages enjoy it from your core market of kids 6 -14 years of age to busy business executives seeking a team-building event that their employees will be excited to attend. Laser tag is rapidly expanding around the world because of its broad appeal and synergy with other attractions.

### 4 Systems to Suit Every Need

LaserBlast offers 4 laser tag systems to meet every need from small portable attractions to high-end entertainment centers. Please visit [www.laser-blast.com](http://www.laser-blast.com) to learn more about LiteBlast, FunBlast, HyperBlast, and ZetaBlast. The ZetaBlast is unique in the laser tag systems.

## ABOUT LASERBLAST

LaserBlast manufactures state of the art laser tag equipment in the United States. Their systems are known for their durability and longevity, with many systems still in operation after 10 years of heavy use. Their latest innovation is the Wireless Charging Rack, which recharges batteries automatically between games.

Laser Blast Bases include:

- Speakers
- Strobe lights and Police LEDs
- Wireless Charging Racks
- Arena Packages

## CARDIOWALL LANDSCAPE (PORTRAIT VERSION AVAILABLE)

A 9-light multi-purpose reaction wall perfect for speed, agility, lateral movement and peripheral vision. A functional trainer that can be used with hands, gloves, balance cushions and soft-weights for a full body workout. The CardioWall Landscape can also be used by two players at one time, with each player taking half of the wall.

Note: For one player, compact duo with 5-light wall for 5+ ages available.

## CARDIOWALL FREESTYLE DUO

Dual interactive speed and reaction walls that make bouncing way more fast and fun! Get your monitors to encourage competition between friends – and why not set up a leader board challenge to share on social media?

## HIGH-9

A trampolining height challenge for tweenies, teens and adults that tests bounce control and hand speed. Players jump high and reach low as they compete to get the highest score. Best installed as a pair (High-9 Duo) to allow direct competition between players.

## DODGEATTACK

An interactive target game that will transform your dodgeball court into an all-action arena! Teams work together to hit out their opponent's light-up targets, whilst defending their own. Two teams, 2-minutes, nobody goes out, and tonnes of points to be scored.

# INTERACTIVE PRODUCTS

## SKYPODS

SkyPods are an energetic challenge that will appeal to players of all ages. Players bounce around the trampoline bed clearing all of the lit pods to score points. SkyPods can be installed as a single set of 5, 7 or 9 pods, or doubled up to make a SkyPods Duo for an intense two-player game.

## WALLRIDER

Walk-the-wall has just got a whole lot more exciting! Challenge your guests to this interactive target game where the aim is to clear the lights with your feet as you bounce up and along the wall. Players score points for every correct hit, with higher targets scoring more.

## TRAILBLAZER

An interactive climbing wall with easy-to-hold grips and exciting game programs that will challenge children of all ages. A 6-section TrailBlazer / TrailBlazer Hex will accommodate 6 players at any one time (3 on, 3 waiting). The TrailBlazer challenges strength, stamina, core, balance and vision whilst promoting competition and the motivation to climb for longer. The TrailBlazer is available in two formats:

- TrailBlazer Traverse .
- TrailBlazer Hex

# CLIMBING

ClimbWall and Rope Course are available for indoor and outdoor and are adapted to any theme and any dimensions according to your location.

Augmented Climbing Wall combines projected graphics and proprietary body tracking to create interactive games and training applications. The games and applications make the training fun,

motivate kids to move and give feedback to help you become a better climber. Augmented reality climbing is suitable for any skill level and age.

It can be installed on existing walls at climbing centers or on new ones at indoor entertainment centers and playgrounds. A smaller but versatile wall is also ideal for fitness gyms with strict space requirements. The setup is even fast and easy enough to use at events or on mobile walls.
